

# Roadway Safety

## GOOSE BAYOU ROAD SAFETY PROJECT

### SOLUTION

*This project includes the addition of sidewalks along Goose Bayou Road from North Shore Road to Binguose Lane. The sidewalk will provide safe connectivity for pedestrians in the many neighborhoods along Goose Bayou Road and will connect to a proposed project that adds sidewalks along North Shore Road.*

### PROBLEM

Goose Bayou Road from North Shore Road to Binguose Lane is a pedestrian-heavy area with no safe walking paths between neighborhoods.
